Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

**PETITION TO WITHDRAW HOLDING OF ABANDONMENT**

Sir:

On August 24, 2006, Applicants received a Notice of Abandonment in the above-identified application, which indicated that the application was abandoned "because of Applicants failure to timely or properly reply to the Notice to File Missing Parts mailed on January 9, 2006", in that "no reply was received".

Applicants hereby petition the Commissioner to exercise his authority and revive this application in view of the following facts:

A Notification of Missing Requirements was mailed to Applicants by the Patent Office on January 9, 2006, and required that an Oath or Declaration be filed by March 9, 2006. Applicants timely filed a Response to the Notification of Missing Requirements on March 8, 2006 via facsimile to the United States Patent and Trademark Office at (571) 273-3201. On March 8, 2006 Applicant received a transmission verification report from its fax machine that the facsimile successfully reached the USPTO at (571) 273-3201 as well as an Auto-Reply Facsimile Transmission from the USPTO itself confirming receipt of all seven pages consisting of applicant's Response to Notification of Missing Requirements. Applicants hereby submit copies of the Response to Missing Requirements, transmission verification report as well as the USPTO Auto-Reply Facsimile Transmission dated March 8, 2006.

The Commissioner will note that the Response of March 8, 2006 also authorized the payment of the \$130 surcharge for late filing of the declaration out of the undersigned's deposit account.

The Response to the Notification of Missing Requirements included a facsimile certificate stating that the correspondence was being electronically transmitted to the United States Patent Office via facsimile on March 8, 2006. The certificate of facsimile transmission as well as the USPTO Auto-Reply Facsimile Transmission constitute *prima facie* evidence that the Response to Notice To File Missing Parts was timely filed (see MPEP 512).

In case these papers have been inadvertently lost within the Patent Office, Applicants enclose copies herewith.

The Notification of Missing Requirements required that the declaration be filed within two months of the date of the Notice i.e., by March 9, 2006. The Declaration was, in fact, filed on March 8, 2006, and therefore the requirement of the Notification of Missing Requirements was met.

In short, Applicants submit that the reply, which the Notice of Abandonment indicates was not received, was, in fact, actually received within the time period allowed and that the Application was not abandoned.

Applicants request, therefore, that the Commissioner exercise his authority and correct the record to show that this application is pending and has not been abandoned. Specifically, it is respectfully requested that the Notice of Abandonment be withdrawn and the application returned to active status.

Applicants do not believe that a fee is required for this petition. However, should the Commissioner determine that any fee is, in fact, due, he is hereby authorized to charge the fee due to Deposit Account No. 14-1263.

Early and favorable action is earnestly solicited.

Respectfully submitted  
NORRIS, McLAUGHLIN & MARCUS
